## Hapuna Beach Prince Hotel

62-100 Kauna'oa Drive, Kohala Coast, Hawaii

As you walk into the open air lobby of the Hapuna Beach Prince Hotel you're met with a breathtaking view of palm trees, the beach, and the Pacific Ocean. If there was ever a place to totally relax and rejuvenate, this is it!

Situated on 32 oceanfront acres along the Kohala Coast, the Hapuna Beach Prince Hotel has defined luxury since opening in 1994. All 350 spacious guest rooms offer ocean-facing\* views and all have private lanais (balconies). *\*Before deciding which type of room to reserve, please take a look at the hotel diagram online—while all rooms face the ocean some on the lower levels may not have a view of the water (partial ocean view).*

Other than just relax by the amazing infinity pool, you can snorkel right from the beach (I saw 3 small sea turtles in the short time I was snorkeling), play golf, take sightseeing tours such as whale watching or deep sea fishing, or take a full day trip to the volcano. You may want to consider contacting the concierge before arriving to get some pointers.

No matter what you decide to do ~ you'll thoroughly enjoy yourself!

**Airport Information:** Kona Airport is located approximately 30 minutes from the Hapuna Beach Prince Hotel.

**Reservation and Rate Information:** The Hapuna Beach Prince Hotel has provided us with a "Return Reservation Form" which is attached and explains all terms and conditions of the hotel. Reservations should be made directly with the hotel by calling 1-866-774-6236 or faxing the Reservation Form to 808-944-4491. *When calling be sure to mention you're with The Dodge Company Meeting.*

**PLEASE NOTE THAT THE CUT-OFF DATE FOR RESERVATIONS IS JANUARY 7, 2008.**

The Hapuna Beach Prince's sister property, the Mauna Kea Beach Hotel, sustained structural damage during the October 2006 earthquake and has been closed for major repair work. What does that mean for us? It means that many of the guests who return to the Mauna Kea Hotel every year, will be transferred to the Hapuna Beach Prince. It also means that the rates we got are even better than they would be if a contract were signed today. Our rates are also about 1/2 of the normal rates at this hotel. **IMPORTANT! IF YOU KNOW YOU'RE GOING TO ATTEND, BOOK EARLY.**
