

# Printing Labels for Your Memorial Candles

## Instructions for installing the software

1. Type or copy the software link below into your internet browser:  
[www.lifelongmemories.net/downloads/CandleSetup.exe](http://www.lifelongmemories.net/downloads/CandleSetup.exe)
2. Save the file to your desktop.
3. Double click on the candlesetup.exe file on your desktop after it has downloaded.
4. Follow the prompts.

The software file link can also be downloaded from the Dodge Company's website: [www.dodgeco.com/links.html](http://www.dodgeco.com/links.html).

After installation is complete, an icon shortcut will be on your desktop to start the program. Double click on the icon and complete the registration process.

Funeral Home Information  
Edit Information

Funeral Home Name: \_\_\_\_\_ Customer ID: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Registration Code: \_\_\_\_\_

Input all of your funeral home information and use **DODGE** as the Customer ID. Leave the Registration Code blank. Submit the information and watch your email for the Code to be returned. When you have the code, click on **File** on the top left side of the opening screen of the printing program. Either cut and paste or type the code in the open field. Click OK. Your information should be confirmed. Do a final “Check for updates” on the top left of this page. Registration is now complete.
