ETERNITY URNS

The Eternity Series, crafted from cast stone, offers four options for Memorialization.

The Eternity Set includes a **Cross Keepsake**, a **Cremation Urn**, and a **Votive Candle Insert**.

The Cross Keepsake has a highlighted filigree on one side and the other side can be engraved with a choice of name and date, a favorite verse, or biblical passage and have a sublimated photograph applied. When placed atop the Eternity Cremation Urn, the result is a striking presentation that can be used in church, the funeral home, or any other service location. The Eternity Cremation Urn's recessed top secures the Keepsake Cross in place or allows for the display of the Votive Candle Insert. The Eternity Candle Sharing Urn will allow the family to keep a small portion of cremated remains at home in a simple yet dignified manner.
