

**MATERIAL SAFETY DATA SHEET**

**Name:** INR-TONE—ALL SHADES

**VI. HEALTH HAZARD DATA:** Primary routes of entry: INHALATION, SKIN.

**Hazard Identification:**

**INHALATION:** Can cause dizziness, nausea, visual impairment, respiratory failure, muscular incoordination, and narcosis.

**SKIN:** Contact may cause irritation, dryness, redness, or dermatitis.

**EYE CONTACT:** Exposure to high vapor concentrations or contact with liquid can cause redness and irritation.

**INGESTION:** Causes irritation of the gastrointestinal tract, abdominal pain, diarrhea, dizziness, and headache.

**Emergency and First Aid Procedures:**

**INHALATION:** Remove person from contaminated area. If breathing has stopped, give artificial respiration. If breathing is difficult, administer oxygen. Contact a physician.

**SKIN:** Remove contaminated clothing (launder before re-use). Wash skin with large amounts of soap and water. If irritation persists, contact a physician.

**EYE CONTACT:** Flush eyes with water for at least 15 minutes. Contact a physician.

**INGESTION:** If the person is conscious, induce vomiting immediately by giving 2 glasses of water and pressing finger down the throat. Contact a physician immediately.

**VII. SAFE HANDLING AND USE:**

**Spill Procedures:** Eliminate ignition sources. Soak up with noncombustible absorbent material. Remove absorbent material to a chemical disposal area.

**Waste Disposal:** Dispose of all material in accordance with federal, state, and local regulations.

**VIII. SPECIAL PROTECTION INFORMATION:**

**Respiratory Protection:** If ventilation is inadequate, use NIOSH/MSHA approved respirators.

**Protective Gloves:** Rubber or other waterproof gloves.

**Eye Protection:** Safety goggles for normal use.

**Ventilation:** Local exhaust is recommended to stay below exposure limits.

**IX. SPECIAL PRECAUTIONS:**

**Handling and Storage:** Avoid contact with eyes, skin, and clothing. Avoid prolonged breathing of vapor. Wash thoroughly after handling. Store in a cool place. Do not smoke in areas of use or storage. As with all non-food products, keep out of reach of children. Please note that prolonged exposure to sunlight will cause loss of dye strength.
